

THE SUPPLY CHAIN

Leadership Forum

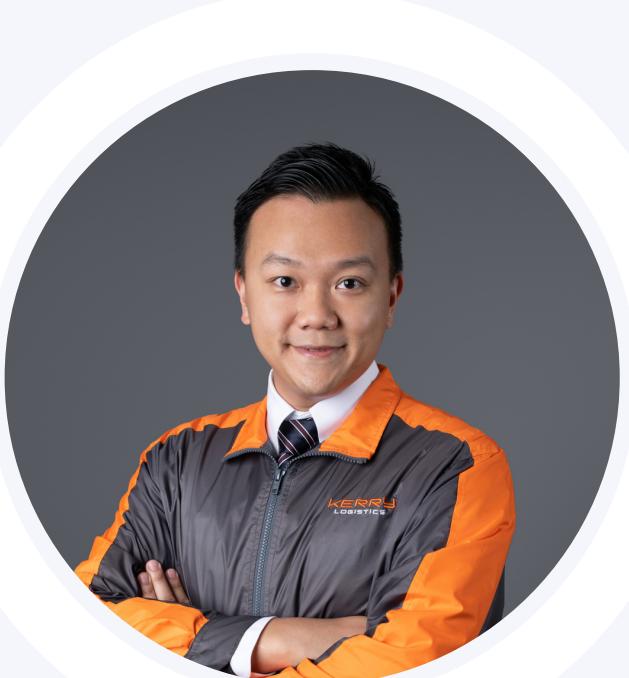

HOSTED BY:  Boon Software  SEEBURGER
BUSINESS INTEGRATION

The modern supply chain is increasingly fragmented with an enhanced risk of disruption.

Better connectivity helps ensure businesses grow faster and networks to be stronger. "The Supply Chain Leadership Forum 2022" offers Business Leaders, Chief Supply Chain officers (CSOs), Chief Technology Officers (CTOs), Logistics and Supply Chain leaders, perspectives on strategies and frameworks to continue fostering their organization's adaptability, agility, resilience, and connectedness to accelerate business.
